You are invited . . .

To the third Horns Hockey Alumni Steak and Lobster Dinner and Auction. This dinner allows us to generate funds for the Horns Mens Hockey Alumni scholarships and budget enhancements for the everyday operations of the Horns Mens hockey team. Alumnus and community support is an integral part of running an elite collegiate athletic program, and with your support we will continue to strive for success. Our goal is to bring a CIS Championship back to Lethbridge and your support plays a key role in

achieving this goal. The program continues to see improvements on and off the ice every year in the Canada West standings and the amount of scholarships available to our players continues to increase each year. In closing, on behalf of the HORNS players and the University of Lethbridge I would like to thank all the participants for helping us try to build the top program in Canadian University Hockey.

*Yours truly,
Greg Gatto
(Horns Hockey Head Coach)*
